Ancient Greece comes to Great Hollands!

Dear Parents/Carers

Next term the children will be studying Ancient Greece by answering the question *'What legacies did the Ancient Greeks leave on modern culture?'* Therefore, we would like to launch the topic by holding a special day on **Tuesday 21 September 2021**.

We would like the children to dress up as Ancient Greeks or come in the colours of the Greek flag (light blue and white) or sports kits for the day. You can be as creative as you would like. Throughout the day we will be having a carousel of activities for the children to complete. They will make their own temples, make and taste Greek salads and have their own Olympic games, plus lots more fun activities.

As we will be making and tasting salads on the day we would like you to complete the form below and return to your child's class teacher before the date to ensure we are aware of any allergies and can cater for the children accordingly.

Thank you in advance for your co-operation and we wish you all a fantastic summer, and look forward to welcoming the children back in September!

Yours sincerely

Miss Baillie, Miss Hawkins and Mrs Spiers
