

## BEHAVIOUR FOR LEARNING

At Great Hollands Primary School, we have a consistent whole school approach to behaviour for learning. We expect all children to display good behaviour for learning and be ready to learn in order to maximise their progress. Each class has a behaviour for learning display.

All children start the day on green on the behaviour chart and get to move up if they show particularly good behaviour for learning. If a child is not showing good behaviour for learning they are moved to the reflection zone where they reflect on what they need to do to move back to green. Children on gold at the end of the day receive a "GREAT B4L" certificate to take home.

### Expectations for Year 5 and 6 B4L are remembered as:

- Positive mindset and the power of yet
- Respect others and take responsibility
- Inquisitive thinkers.
- Determined and focused.
- Encourage others and engage in all learning.

## A LEARNING PARTNERSHIP

We believe that learning at home is a vital part of your child's education and we hope to continue to work in partnership with you over the coming year.

Please help your child by making sure they come to school fully equipped for the day ahead - each day they need their reading book and home learning diaries.

## HOME LEARNING

### Spellings

Spellings will be sent home on Friday in the form of a Look, Cover, Write, Check worksheet. These will follow the weekly pattern taught in school.

### Reading Books and MyOn

Your child will bring reading books home with them and they will have access to myON reading website where they can enjoy books electronically. We expect children to read 5 times over the week.

Please ask your child to write in their home learning diary when they have read and we then ask it is signed by an adult.

*We are passionate about celebrating learning. We operate a reward system for children who complete their home learning each week.*

## HOME LEARNING CONTINUED...

**Home Learning** will be set on a **Friday** to be completed by the following **Wednesday**.

### Maths

This will be different for children in Year 5 and 6. Teachers will select learning tasks on Mathletics that are linked to current or upcoming topics.

Every child has access to Mathletics with their own username and password.

### PiXL Times Tables App

Login details will be shared with the children.

### Grammar

Children will be set a grammar activity each week linked to their learning in class either as a recap or in preparation for a new topic.

All login details for online resources will be shared with your children.

**Teachers are always happy to help children with homework if they are unsure about what to do.**
