

What is happening in Nursery this week?

8th November 2021

Literacy

The children will be listening to the story 'The Shopping Basket' as their focussed story this week.

They will also be retelling the story of the 'The Enormous Turnip'.

Maths

We are looking at the number Two this week.

We will also be putting two objects on ten frames, and seeing how quickly we can find two objects from a group.

The children will also be seeing how many squares they can find around Nursery.

Topic

The children are going to be learning all about keeping themselves healthy this week.

They will be making a healthy snack in the shape of a snail or butterfly using celery, cucumber and cherry tomatoes.

What else are we learning this week...

We will be looking at fireworks and the different colours they make.

The children will be developing their cutting skills and making a shape rockets.

We will also be encouraging the children to think about looking after their teeth and why it is important to brush them.
