

Topic Home learning Year 1/2 Autumn 2

Dear Parents/Carers

Each half term we will be setting topic home learning activities. Below is a selection of activities that the children can select from. They can choose one or more to complete and record in their home learning book. Please complete by Friday 10th December. A copy of this grid will be in their home learning book.

Topic: How are the toys we play with made?	
<p>Interview grandparents or an older relative or friend about toys they played with when they were younger. What toys did they play with? What materials were they made from? Write 3 to 5 questions and record the answers. (An adult can help you.)</p> 	<p>Design your own new toy. Label your toy. What would it be made from? Why? Extension Build a 3D model of the toy. You could use junk modelling or construction to make your toy. Take a photo of your model.</p> 
<p>Design a poster for a toy. Make it eye catching and include information about the toy. Write a description of the toy, what it does and why people should buy it.</p> 	<p>Design and make a new outfit for a toy. Take a photo of the finished outfit.</p> 

Thank you for your support.
