Dear Parents and Carers

## House Point Winners Non-Uniform Day

At Great Hollands Primary School, one of our five important school values is teamwork. This term, the children have been working extremely hard within their House teams to earn House Points for their allocated Houses - Amber, Emerald, Sapphire and Ruby.

At the end of each week, the totals earned across the school are added together by the Year 6 House Captains, with the winning House being awarded the House Cup.

Additionally, these totals have also been added together over the course of the term to give a final term total for each House. At the end of Autumn Term, the winning House is **AMBER!**

All the children have contributed superbly to the totals for this term and should be very proud of their efforts.

The members of **Amber** have earned a team reward, which has been agreed upon by the House Captains. Members will have a bonus non-uniform day on Friday 17 December in recognition of their achievements.

**This reward is exclusive to the children in Amber House only – the rest of the school will need to wear school uniform as usual.**

If you are unsure of your child's house, please ask their class teacher. The children should all know their house colours but will be reminded of them this week. If you have any questions or comments, please do not hesitate to contact me.

Yours sincerely
