

## Updated INSET days for 2022

## Dear Parents and Carers

To accommodate changes to the phonics screening testing timetable set by the government we have had to move some of our planned inset days to allow enough time for this to be completed.

The INSET days on 27 May and 7 June have moved to the 19 April and 21 July.

Please note, if you had planned to be away from school on 27 May or 7 June, we will authorise holiday absences on these dates due to the late changes.

The Maiden Erlegh Trust Board have also sanctioned an additional Inset day for this year for all schools in the trust to allow for the training and introduction of a new Schools Management Information System in all Trust schools. Our INSET day will be on 21 February.

Please see the updated school calendar below.

If you have questions, please do not hesitate to contact the school office.

### Kind regards

Great Hollands Primary School

#### Extraordinary Inset Day – 21 February

Maiden Erlegh Trust recently embarked on a process to secure a new management information system (MIS) which manages all elements of student and staff data and records management. This has been necessary to address some of the technical and functional challenges our current solutions present, as well as being able to rationalise our reporting most effectively. This development brings to an end our use of multiple legacy platforms in favour of a single and consistent cloud-based MIS service from one of the leading education software companies in the UK. The software goes live across all Trust schools on Monday 28 February.

Due to the complexity of this project, and the requirement for all school staff to receive comprehensive training to be confident in using the software, the Trustees have approved an extraordinary INSET day for all schools within Maiden Erlegh Trust. For Great Hollands Primary School, this INSET day will be on **Monday 21 February**. For all other schools this INSET day will be on Monday 28 February.
