

What is happening in Nursery this week?

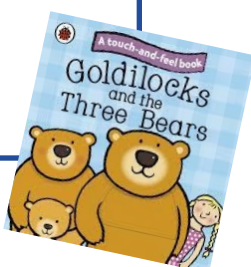

Monday 17th January 2022

Literacy

We are continuing to learn 'Goldilocks and the Three Bears.'

The children will be making a story map to retell it to their friends.

Maths

We are looking at number 3 this week.

We will also be putting objects on to five frames, and seeing how quickly we can find different amounts of objects from a group.

The children will also be seeing how triangle shapes they can find around nursery.

Topic

The children will be exploring the school environment by going on a winter walk this week.

We will be encouraging the children to use their senses and see what they find. To help us warm up after our winter walk, the children will have a drink of warm hot chocolate. This is to help tie in the concept of hot and cold.

We will also be making some warm porridge with blueberries and banana, just like the three bears in our story.

Other information.....

We have a busy week ahead at Nursery!

Please can you send in your child with a pair of welly boots on Thursday – this is so we can go on our winter walk.

Please also let us know if your child can not have porridge, blueberries, bananas, and hot chocolate.
