Topic Home Learning Year 1/2

Dear Parents/Carers

Each half term we will be setting topic home learning activities. Below is a selection of activities that the children can select from. They can choose one or more to complete and record in their home learning book, where there will be a copy of this grid. Please complete by Friday 25 March.

| Topic: What makes me proud of our place? | |
|--|--|
| <p>Film or draw your route to school. How do you travel to school? What do you see on your route to school? Do you take the same route every day? How long does it take you?</p>  | <p>Make a model of a garden in a box or make a 3D model of a plant.</p>  |
| <p>Take a photo of your favourite place in the local area. Then paint or draw it. Where is your favourite place? Why is it your favourite place?</p> | <p>Draw a picture of your street. Do they know the name of their street? Support your child to take a look at the street and buildings around where they live. Encourage them to think about the shape of the buildings. Google Earth is great for helping with this as you can use an aerial view and a street view. Can they create a street sign with their street name?</p> |

Thank you for your support.
