

Tuesday 19 April 2022

Dear Parents and Carers

Welcome back to the Summer Term, I hope you have had a relaxing and enjoyable Easter break.

I am looking forward to welcoming pupils back tomorrow. Below are some important notes, please take a moment to read and digest them. The Spring Term was incredibly challenging for our school with significant numbers of staff absent throughout. I am hoping that this term will be much calmer, though please do remember that the team, across the school, will be trying to clear a backlog of work created by the pandemic.

I want to say again a genuine and heartfelt thank you to all our families for their tireless support and understanding of just how tough it has been for all of us. Thank you for your kindness and generosity, the team here really do appreciate it.

Please see the guidance notes below related to COVID-19 for both children and adults.

Kind regards

Richard Ferris  
Headteacher

## **Guidelines for attending school from 1st April 2022**

### **Rules for children**

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school when they no longer have a high temperature, and they are well enough to attend.

Children with a positive COVID-19 test result should stay at home and avoid contact with other people for 3 days.

### **Rules for adults**

Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.

Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious.
