Dear Parents /Carers

The Jubilee Memories project is creating a time-capsule social history film – capturing the thoughts and feelings and memories of the Bracknell community in relation to the Queen to celebrate her up and coming Platinum Jubilee.

As a result of this Great Holland's Primary School has been chosen to take part in the filming process. We are asking you and your families if you have any memories of the Queen throughout her 70 year reign.

Maybe someone remembers watching the coronation or celebrated the Silver Jubilee in 1977. Maybe your families held a jubilee street party in 2002 or 2012. Were you there when the queen visited Bracknell in 2017 to open the Lexicon or is there something even more personal – a memory of an older relative's devotion to the Queen or perhaps a trip to the Palace, a garden party fit for a queen, or even knowing someone named on the Honours List?

The Jubilee moments project would like to seek out the personal, the public, the private and the dearly held memories and record them for all posterity.

We would love for any of our pupils, to get involved and share your memories. If you have any memories of you would like to share, please could you write them down and ask your children to pass them to Miss Hawkins by Thursday 28 April 2022.

We would love for as many children to get involved as possible to represent yourselves, the community and the school.

Many thanks

**Miss L Hawkins**
