

Topic Home Learning Year 1/2 Summer 1

Dear Parents/Carers

Each half term we will be setting topic home learning activities. Below is a selection of activities that the children can select from. They can choose one or more to complete and record in their home learning book. Please complete by Monday 23 May. A copy of this grid will be in their home learning book.

Topic: Who lives in the animal kingdom?	
<p>Design a minibeast hotel.</p> 	<p>Make a 3D model of an animal.</p>  <p>Think about the material you could use to make your model. You could use plasticine, paper, boxes, egg cartons, bottles, and pots.</p>
<p>Create a new animal. Could you combine two of your favourites? What will you call it?</p>  <p>Design an animal and give it a name e.g. Hippolion. Think about what colours it will be, how it will move, its habitat and what it eats.</p>	<p>Make a booklet about an animal.</p>  <p>Choose an animal to research. Find out about where it lives, what it eats, what it likes to do etc. Present your findings in a booklet.</p>

Thank you for your support.
