

Weekly Update

Friday 15th July

Updates This Week

School Closure Next Week

As mentioned on the letter sent out earlier today, the school building will be closed to all pupils on Monday and Tuesday next week due to the extreme heat forecast for those days.

On Wednesday the children will be in school **at the normal time**. During the day they will meet their new teachers and their school reports will be sent home with them at the end of the day. School will finish at the earlier time of 2.15pm.

Sports Day

There were some adjustments made to our Sports Day this year to allow for the current hot weather. The children all did amazingly well and they should all be very proud of themselves for a GREAT effort. Results of the winning house will be announced next week.

Staff Farewells

We will sadly be saying goodbye to **Mrs Martin** at the end of this term. She has been dedicated to helping so many of our Key Stage 2 children and is often seen helping out at after school club too! We also bid farewell to **Miss Holness**, one of our lunchtime controllers, who has been amazing over the past few months, even spending some time helping in the school office. Finally, **Mrs Ajewole** will be off to start her maternity leave as she prepares to welcome her little one due later in the year. She has worked tirelessly for our Year 5/6 children over the past few years and we all wish her good luck as she begins this next exciting chapter. I'm sure you will join with me in wishing them all the best of luck for the future.

Don't forget - we're running a holiday club this Summer at GHPS and are now part of the Holiday Activities and Food Programme (HAF) – see the flyer later in the newsletter!

Wishing you all a lovely weekend.

A handwritten signature in black ink that reads "R Ferris".

Richard Ferris
Headteacher
