Teachers

Mr Lee, Mrs Pesani, Mrs Watson

Support Staff

Mrs Croft, Miss Livingstone, Mrs Sparshott,
Mrs Matthews

COMMUNICATION

If you have messages please email them into the school office or give your child a note to hand to their teacher. However, if there is something you wish to discuss in detail, please make an appointment for a phone call with your child's class teacher.

We are always happy to help.

A LEARNING PARTNERSHIP

We believe that learning at home is a vital part of your child's education and we hope to continue to work in partnership with you over the coming year.

Please help your child by making sure they come to school fully equipped for the day ahead—each day they need their reading book and home learning diaries.

Thank You...

A big thank you to all the parents and carers who have been helping their child with home learning activities.

HOME LEARNING

Year 6 home learning is set once a week on a Friday and is due in the following Wednesday.

Maths: Learning based upon skills taught in class that week will be provided to allow children opportunities to refine and practise their skills.

Grammar: To support children's English learning, a grammatical revision activity will be provided to support children with their understanding of various English writing skills.

Reading: A short comprehension reading activities will be provided to allow children to deepen and practise their understanding of texts and their content.

Reading Books and MyOn: Your child will continue to bring reading books home with them or they can access MyOn to read regularly at home. We expect the children to for 15-20 minutes each night.

Please write in your child's home learning diary when you hear them read or if they have accessed Accelerated Reader.

For every 5 times your child reads, they will be awarded a Golden ticket, which will go contribute towards earning an end of half-term reward as part of a raffle.

Additional Maths Support:

As an additional resource, children will also have access to **Mathletics** to practise the different mathematical skills taught in school. All children will have their own username and password.

Children can earn bronze, silver and gold certificates for completing challenges each week.

If your child completes all of their homework then they will receive a hot chocolate and biscuit session at the end of half term.

Remember to visit the school website to find the most up to date information about upcoming school events.

BEHAVIOUR FOR LEARNING

At Great Hollands Primary School, we have a consistent whole school approach to behaviour for learning. We expect all children to display good behaviour for learning and be ready to learn in order to maximise their progress. Each class has a behaviour for learning display.

All children start the day on green on the behaviour chart and get to move up if they show particularly good behaviour for learning. If a child is not showing good behaviour for learning they are moved to the reflection zone where they reflect on what they need to do to move back to green. Children on gold at the end of the day receive a "GREAT B4L" certificate to take home.

Expectations for Year 6 B4L are remembered as:

- Positive mindset and the power of yet.
- Respect others and take responsibility
- Inquisitive thinkers
- Determined and focused
- Encourage others and engage in all learning

P.E. KIT

Your child will need the following kit for PE lessons :

- Named plain dark shorts, preferably blue or black (**small** sports logos are fine)
- Named plain white or blue t-shirt (**small** sports logos are fine)
- Trainers
- Jogging bottoms and a sweat top for outdoor P.E as lessons will be outside whenever possible.
- Please remove any earrings on P.E days. If earrings are unable to be taken out then children must have their ears taped up before coming to school.

P.E. Kits will stay in school until half-term.
