Dear Parents and Carers

On a Monday, we will be emailing home spellings that the children are learning if they are not in a RWI phonics group. Children will also learn these spelling words throughout the week.

Please support your child in learning them at home by using the Look, Cover, Write, Check strategy. Then choose three to write in a sentence. Please use the sheet with different activities for your child to complete, in order to support their learning at home, it's a great way to allow the children to practice their spellings in a more interesting way.

Adding the suffix -ly	Year 5 word list
happily angrily merrily cheekily sleepily slowly sadly magically physically nicely	accompany bruise cemetery desperate environment foreign guarantee hinderance immediate leisure

Home learning for Mathletics is set on a Friday and is to be completed by the following Friday. If your child is finding this difficult to manage, please contact us at GHPSoffice@maidenerleghtrust.org

We would also like to encourage the children to continue logging into the PiXL multiplication app. Knowing their multiplications will enable them to access more areas of the maths curriculum. All login details can be found in the front of their diaries. As you are aware, the children are completing questions against the clock on a Friday and are working incredibly hard to improve their scores week on week, and the app is a fantastic resource for this.

We would also encourage you to listen to your child read every day, just 15 minutes can make a big difference.

Thank you in advance for all of your help and continued support with your child's learning.

Mrs Horne and Mrs van der Rest
