

What is happening in Reception this week?

17th October 2022

Literacy

This week, we will be retelling the traditional story of the 'The Little Red Hen' and 'The Enormous Turnip'. We will also read our non-fiction text about Autumn. We will listen to our new story 'Owl Babies'. This is a story about three baby Owls, left in their nest at night-time. We will talk about the characters, setting and what the problem is.

In phonics, some of use will be learning to say, read and write the sounds j, v, y, w, z, x but some of us will be revising the sounds we have already learned. We will practise forming each letter correctly and oral blending. We will start learning spelling with Fred Fingers.

Maths

Last week we focused on showing number 5 with different apparatus. This week, we will explore the number 6. We will count 6 objects, actions and sounds, and make 6 in different ways, e.g. 1+5, 2+4, 3+3 and 6 (+0). We will also show 6 in different ways including Numicon, ten-frame, a tower and a dice. We will learn how to form the digit 6 using Ten Town. We will look at 6 sided shape—a hexagon!

Messages

Topic

This week we will be building on our knowledge about Autumn and going on an Autumn Walk - hopefully on Tuesday (weather permitting). We will use our senses to see if we can spot signs of Autumn at school. We will collect leaves and other things we find and talk about the textures of them. We will draw pictures of the plants and animals in our environment and hopefully see some squirrels! In class, we will use clay to make a model of a hedgehog.

We have our Harvest Celebration Thursday 20th October at 2.15pm in Silver Hall. The children will perform a retelling of the Little Red Hen and sing some Harvest songs. Any food donations will be gratefully received and passed on to our local foodbank. Please complete the slip on your letter to book your places. You will be invited into the classroom afterwards to see what the children have been learning. We will ask you to write a post-it note about their learning to go into their journal.

We are hoping to go on our Autumn Walk on Tuesday. If your child doesn't have wellies at school, please could they bring in a pair for the walk. Please also make sure they have a coat with them.

On Friday, we will be thinking about Diwali which is on the 24th October. This is the festival of lights which is celebrated by different religions including Hindus and Sikhs.

We won't have a phonics meeting this Friday - we will postpone until after half term - thank you!

How can you help at home?

Some of the children are remembering their sounds well, others are finding this more tricky. Please help your child by practising all the sounds they have learned daily at home. If they are having problems, use the picture side to help them and the sound links. Remember to record this in their diaries. Please also practise forming each letter correctly using the sound phrase (green book) and the sheets sent home with each new sound. They can then write these in their green books.

Please use the RWI links for word blending and oral blending to help your child. They will play Fred Games and practise blending sounds together. These are as important as learning their sounds and they cannot read until they mastered this. Please use these to support them, especially if your child has been absent to help them learn missed sounds. Please read and share stories with your child.

You can support your child's Maths learning by undertaking some of the suggested activities from the maths home learning. We will also sometimes send home ideas to support our topic learning.

Learning from last week

If you have any comments, concerns or questions, please come and speak to Mrs Kalampaliki or Ms York. We hope you all have a lovely week!
