

Topic Home Learning Year 1/2 Spring 1

Dear Parents/Carers

Each half term we will be setting topic home learning activities. Below is a selection of activities that the children can select from. They can choose one or more to complete and record in their home learning book. Please complete by Monday 6th February. A copy of this grid will be in their home learning book.

Topic: What is the best way for Mrs Armitage to travel?	
<p>Design a road safety poster. Remember to include bright colours, a title, information and pictures.</p> 	<p>Design your own bicycle for Mrs Armitage and Breakspear. Add 3 of your own ideas and add labels to explain what your extra things do.</p> 
<p>Make a poster about a mode of transport through time. Choose a mode of transport to research. Find out about how the mode of transport has changed over time. Create a timeline of the mode of transport from the past to the present. Present your findings on a poster with pictures or photographs.</p> 	<p>Make a 3D model of a mode of transport. Think about the material you could use to make your model. You could use Lego, plasticine, boxes, egg cartons, bottles, and pots. You could make a bicycle, car, boat, train or a plane.</p> 

Thank you for your support.
