Breaktime Bagels - Year 3/4

Dear Parents and Carers

I am delighted to let you know that the school has recently joined a scheme to help further support our families in this time of increasing costs.

The National School Breakfast Programme is funded by the Department for Education and run by Family Action to support schools in England to provide children with a healthy option for the school day.

We will begin running this scheme from Monday 16 January, for a trial period to all children in Years 3&4.

During Key Stage 1, children receive fruit at their breaktimes as their healthy snack, but as you will be aware, this does not continue into Key Stage 2. From Monday we will be able to offer the children the opportunity to have bread-based snack at breaktime. Currently the offer is for bagels.

We will trial this scheme for a fortnight and we would love to hear any feedback.

Please see the attached allergen sheet for your information. If you do not wish for your child to be offered this breaktime snack, or if they are allergic to any of the ingredients, please speak with your child's class teacher no later than Friday 13 January or email the school office at ghpsoffice@maidenerleghtrust.org

Kind regards

Mr R Ferris Headteacher
