**House Point Winners Non-Uniform Day**

One of our GREAT school values is teamwork. This term, the children have been working extremely hard within their House teams to earn house points for their allocated Houses - **Amber**, **Emerald**, **Sapphire** and **Ruby**.

Each week, the points earned across the school are added together by the Year 6 House Captains, with the winning House being awarded the House Cup in that week’s assembly.

These totals have now been added together over the whole of the term to give a final total for each House. At the end of Spring Term, the winning House is **AMBER!**

All the children have contributed superbly to the totals for this term, whichever house they are in and should be very proud of their efforts.

The members of **Amber** have earned a team reward, which has been agreed upon by the House Captains. Members will have a bonus non-uniform day on Friday 31 March in recognition of their achievements.

**This reward is exclusive to the children in Amber House only – the rest of the school will need to wear school uniform as usual.**
