Dear Parents and Carers

As part of the celebrations for the Coronation we will be holding a competition to design a new medal for King Charles III. There will be a 'Design your own Medal' template sent out with this letter via email for the children to use if they wish. If you need a copy of the template printed out, please ask your child's class teacher.

I would like you to include the **King's Cypher** and the year of his coronation - 2023.

Your medal can be made of any materials (cardboard, wood, plastic, paper) you have at home. Your medal can be as elaborate as you like but be **no bigger than A4** in size.

We want this to be an enjoyable activity and something you can do together as a family.

All entries will need to be in school by **Wednesday 3rd May 2023** if you would like your medal to be judged.

Many thanks for your continued support.
