Dear Parents and Carers

On a Monday, we will be emailing home spellings that the children are learning if they are not in a RWI phonics group. There will be a spelling quiz the following Friday.

Please support your child in learning them at home by using the Look, Cover, Write, Check strategy. Then choose three to write in a sentence. Please use the sheet with different activities for your child to complete, in order to support their learning at home, it's a great way to allow the children to practice their spellings in a more interesting way.

Adding the Suffix ion-1	Year 3 and 4 spelling list
discussion	breath
possession	continue
procession	exercise
progression	extreme
expression	history
confession	height
depression	important
permission	length
admission	material
submission	natural

Home learning for Mathletics is set on a Wednesday. If your child is finding this difficult to manage, please contact us at [GHPSoffice@maidenerleghtrust.org](mailto:GHPSoffice@maidenerleghtrust.org)

We would also like to encourage the children to continue logging into the PiXL multiplication app. Knowing their multiplications will enable them to access more areas of the maths curriculum. All login details can be found in the front of their diaries. As you are aware the children are completing questions against the clock on a Friday and are working incredibly hard to improve their scores week on week, and the app is a fantastic resource for this.

We would also encourage you to listen to your child read every day, just 15 minutes can make a big difference.

Thank you in advance for all of your help and continued support with your child's learning.

Mrs Spiers, Mrs Andrew and Miss Hawkins
