School Lunches at GHPS

Dear Parents and Carers

We hope your children are enjoying the meal choices provided by our new caterer, ABM.

As you will be aware, all school meals are ordered via ParentPay, which is very easy to use and convenient for parents as you can order meals at home in your own time.

The orders placed on ParentPay are sent direct to our school kitchen, so they can prepare the meals to order. This helps us keep food waste to a minimum and ensures every child a high-quality meal that has been chosen for them by their parents.

Since the start of term, we have been checking that all children have lunches ordered while parents adjust to the new system. However, from Friday 18th October the system will be a FULLY PARENT LED SYSTEM.

All lunches must be ordered by parents on the system

To support parents as much as possible, the time to place an order has been extended to 9.00am on the day lunch is required.

Orders cannot be placed by either parent or school after this time - if you have not ordered a school lunch for your child, you will need to provide them with a healthy packed lunch from home.

Packed lunches should contain healthy choices and must not include any foods which contain nuts of any type, fizzy drinks or sweets.

If you are having difficulty with ParentPay, please contact the school office team who will be able to help.

Yours sincerely

Great Hollands Primary School
