Our Commitment to Safeguarding

Adults visiting Great Hollands Primary School play an important part in the life of the school, whether working to maintain or improve the site, or visiting children.

We can all play a part in keeping children safe whilst working in or visiting the school.

It is important that we also take steps to keep ourselves safe. Our actions can sometimes be perceived in a way that was not intended. We strive to promote safe working practices for everyone on the school site, whatever your job or reason for visiting.

Please follow these guidelines during your visit to our school.

Don't

DO NOT give or accept any personal information from any child - for example, your address, telephone or mobile number or email address.

DO NOT use pupil toilets - adult facilities are clearly marked.

DO NOT accept poor behaviour towards you from a child. Do not respond yourself but report it immediately to a member of Great Hollands Primary School staff.

Do

DO be aware that verbal interaction with children may be interpreted by them in ways other than intended.

DO report any unacceptable behaviour from a child.

DO be aware that contact made outside of the school grounds may also be considered inappropriate and could lead to your interaction being misinterpreted.

Child Protection

Adults working around children and young people must be aware of the risk of abuse by adults or other young people. Great Hollands Primary School believes that all children have the right to be safeguarded from harm and exploitation regardless of:

- *Race, religion, preferred language or ethnicity*
- *Age, gender, sexuality or disability*

If you have any concerns about a child's safety during the course of your visit:

1. Immediately inform one of the Child Protection contacts listed overleaf.
2. Write careful notes about what you have seen, heard or been told about. Sign, time and date all notes.

If you suspect abuse or a complaint is made to you about any adult or about yourself, it is your duty to report the concern.
