Dear Parents and Carers

School Results for 2024

I am pleased to be able to share with you some of our results for our amazing school. I am so proud of the children and staff across the school for their continuing hard work and dedication. I also want to thank you all for your continued support of the school, I hope you recognise just how hard GHPS staff work to offer the best we can for your child. As always, your support and feedback have helped us along the way.

We do not always get everything quite right, no school does, but together with you, we are an unstoppable team. Our school is so much more than just results, our excellence runs much deeper than this, but results are a good indicator of our successes.

Have a look at the information below from a range of sources, which clearly shows Great Hollands Primary School is a school to be proud of.

KS2 Progress 2024 · Value Added

37 matched pupils

“There is a consistency in planning and teaching which ensures all pupils get equal access to learning opportunities. In effective lessons teachers model the learning to enable pupils to understand. In these lessons pupils self-evaluate their learning. Every pupil is enabled to succeed.” External School Review |

| EGPS KS2 expected standard % | 39 | Sig above national and 86th percentile | 87 | 72 |

Our whole school team have worked exceptionally hard to achieve these results, and I am proud that all our pupils are making exceptional progress across the board. This is an outstanding achievement.

Thank you for your continued support.

Richard Ferris
