

## Curriculum Enrichments...

### Closing Soon - Parent Survey

Please take a few minutes to complete our annual parent survey. It is the ideal opportunity for you to share your views on what is working well and where we can make improvements.

The survey is completely anonymous and will help us to understand what matters most to you and your child. Don't delay, have your say now before the survey closes!

The survey can be completed here: <https://edurio.com/teacher/poll/UEXzwh>

### Change of Date – Class Photos and Year 6 Individuals

Please note that we have changed the date of the class photographs to allow the children to settle back into school after the Easter break. The new date is **Thursday 24<sup>th</sup> April**.

### Exploring Minibeasts with Year 2

The children in Hedgehogs class have been learning about the conditions in microhabitats and how this affects the minibeasts found within them. They were learning to identify and name a variety of animals in their microhabitats and had great fun on their minibeast hunt.

### Year 5&6

This week, the children in Lions and Panthers have been looking at newspaper reports. We have explored the vocabulary used within them and the role of both direct and indirect speech. To help us understand the role of eyewitnesses a bit

better, the children took part in some hot seating activities.

In Tigers, the children have worked hard putting all their learning into practice by completing some assessments. We are so proud of all their efforts and preparations. Alongside this, they have been enjoying a range of Geography and Computing tasks too.

### Year 3 Healthy Living

This week the children used Modroc to create their own 3D fruits and vegetables for their exhibition. They had so much fun and showed some GREAT creativity!

### Gardening Club for Reception, Year 1&2!

Mrs Kalampaliki's gardening club is proving to be very popular and the children really enjoyed the first session this week. The club is currently full, but we do have a waiting list in place. If you would like your child to be added to the waiting list for the club, please complete our online form here:

<https://forms.office.com/e/seQLMWpJ9Z>

You will be notified via email if your child has a place at gardening club.

Thank you for your continued support, if you have feedback on any part of what we do at GHPS please do share it with us.

Have a lovely weekend.

**Richard Ferris**  
Headteacher

### Attendance Stars

Classes with the highest attendance this week:

- 1<sup>st</sup> Place – Tigers (98.1%)
- 2<sup>nd</sup> Place – Blue Butterflies (95.8%)
