Dress up Day – 3rd April 2025

Dear Parents and Carers,

As we approach the end of this term, we would like to share an exciting and creative way for our Reception children to showcase their learning. On the last day of term, the children will have the opportunity to dress up as people who help us, as part of the conclusion to our current topic, **"Who Helps Us to Stay Safe, Healthy and Well?"**

Throughout this term, we have been exploring several important areas of learning, including:

- My Body
- Keeping Clean
- Eating Healthily
- Living a Healthy Life
- Growing and Changing
- Keeping Safe

To celebrate these themes, we invite the children to dress as someone who helps us in these areas, such as a doctor, nurse, teacher, or even a headteacher. We would like to emphasize that there is no need to purchase new costumes for this day. We encourage you to be creative with what you already have at home—whether it's a smart t-shirt and black trousers for a teacher, or a nice dress for a headteacher. The focus is on expressing creativity and developing the skills and knowledge we've been practicing throughout the term, rather than worrying about the costumes themselves.

We are excited to see how the children interpret the people who help us and look forward to a fun and meaningful celebration on the last day of the term **Thursday 3rd April 2025**.

If you have any questions, please speak to Mrs Kalampaliki or Mrs Griffin.

Thank you for your support!
