

5th September 2025

Dear Parents and Carers

Hawks Class Spellings

Here are the spellings to be practised over the next two weeks for Year Four. There will be a spelling quiz on the next two Fridays.

Please support your child in learning them at home by using the Look, Cover, Write, Check strategy. Then choose three to write in a sentence. Please use the sheet with different activities for your child to complete to support their learning at home, it's a great way to allow the children to practice their spellings in a more interesting way.

Adding the prefix sub-	Year 3 and 4 spelling list
subway	eighth
subzero	February
submarine	library
subdivide	learn
subsoil	material
subtitle	natural
submerge	opposite
subheading	potatoes

Home learning for Mathletics is set on a Thursday. If your child is finding this difficult to manage, please contact us at GHPSooffice@maidenerleghtrust.org

We would also like to encourage the children to use the Times Table Rockstars multiplication app. Knowing their multiplications will enable them to access more areas of the maths curriculum. All login details can be found in the front of their diaries. As you are aware the children are completing questions against the clock on a Friday and are working incredibly hard to improve their scores week on week, and the app is a fantastic resource for this.

We would also encourage you to listen to your child read every day, just 15 minutes can make a big difference.

Thank you in advance for all your help and support with your child's learning.

Miss Livingstone

Year 4 Class Teacher
