Dear Parents and Carers

Year 4 Ancient Greek Day

On Wednesday 24th September 2025, we will be having a themed day to celebrate the start of our topic this term, 'What legacies did the Ancient Greeks leave on modern culture?'.

We would like the children to dress up as Ancient Greeks or come into school wearing the colours of the Greek flag (light blue and white), or sports kits for the day. You can be as creative as you like.

The children really enjoy taking part and there will be a range of activities based around this theme throughout the day. They will become time-travelling investigators, have their own Olympic games and make and taste Greek salads, plus lots more other fun activities.

As we will be making and tasting Greek salads, we need to ensure that we are aware of any food allergies or intolerances to enable us to cater for the children accordingly. Please complete our online form to enable your child to take part in the food activities

If you have any questions regarding the day, please speak with your child's class teacher.

Kind regards
