

October 2025

Dear Parents and Carers

Diwali Workshop

On Monday 20th October, the children in Nursery, Reception and Years 1-4 will be taking part in a music and dance workshop around the celebration of Diwali.

Why have we organised this activity?

The children will learn about why Diwali is an important event in the Hindu calendar and discover that dance and music are a big part of the celebrations.

Details of the Activity

The activity/workshop is provided by Wisemoves Dance and will take place during the normal school day. There is no need for the children to bring any additional equipment or to wear different clothes on the day.

As we do not receive any additional funding for these important enrichment activities, we are asking for a voluntary contribution to help cover the cost of these workshops.

There is a slightly different cost for the children in Nursery and Reception, as the workshops are tailored differently for the younger aged children.

- **For children in Nursery and Reception, we are asking for a contribution of £1.75 per child.**
- **For children in Years 1-4, we are asking for a contribution of £2.35 per child.**

Please make payment via **ParentPay** (www.parentpay.com). If you need assistance with this, please contact the school office.

For this event only, we are able to accept cash payments, but these must be sent in through the school office, not the classroom.

Thank you for your continued support, without it, we would not be able to have these exciting visitors in school.

Kind regards

Mrs Andrew

Religious Education Subject Leader
