

July 2026

Dear Parents and Carers

Reception End of Term Dress-up Day

As mentioned in the newsletter, Early Years would like to celebrate our topic work at the end of the term and ask the children to dress up as people or animals from the past. This could be:

- Kings, queens and knights
- Pirates
- Dinosaurs

We would like to emphasise that there is no need to purchase new costumes for this day. We encourage you to be creative with what you already have at home - whether it's a smart suit or a pretty dress.

The focus is on expressing creativity and developing the skills and knowledge we've been practising throughout this term, rather than worrying about the costumes themselves.

We are excited to see how the children interpret being people or animals from the past and look forward to a fun and meaningful celebration on the **Friday 17th July 2026**.

If you have any questions, please speak to Mrs Kalampaliki or Mrs Griffin.

Thank you for your support!
