

## News this week...

### New Term off to a GREAT Start!

We have really enjoyed welcoming the children into their new classes for the new school year and we know that over the coming weeks they will continue to develop new and renew their old friendships as they continue on their learning journey.

We'd like to welcome all our new pupils, parents and families who have now joined Reception and Nursery and look forward to working together in partnership with you.

### ParentPay Lunch Ordering

Please remember that all school lunches must be ordered online from home. If you have not yet activated your ParentPay account, please can you do so as soon as possible, even if you are not ordering school lunches. Don't forget that if you need help using the ParentPay website, please call into the school office and the team will be happy to help.

*New parents should have received their login information – if you have not, please email the office.*

### Polite Reminders

As the new term begins, we would like to remind you of the following messages:

- Please be mindful of our neighbours living close to the school and use the public car parks if you need to drive your child to school.

### Diary Dates

Please look later in this newsletter for our first update of diary dates for the coming months. We will try to give as much notice as possible when things are planned and will notify you if these plans need to change.

We are only able to organise these events, trips and workshops with contributions from our parent community. Without your support, we would not be able to arrange such fun and enriching activities and visitors for the children.

We're looking forward to sharing lots of news about our GREAT learning next week!

Thank you for your continued support and have a relaxing weekend!

A handwritten signature in black ink that reads 'Nicky York'.

**Nicky York**  
Head of School

### Attendance Stars

Classes with the highest attendance this week:

1<sup>st</sup> Place – Hedgehogs (99.6%)

2<sup>nd</sup> Place – Butterflies (97.9%)

3<sup>rd</sup> Place – Foxes (97.7%)

## Diary Dates
